Home Buying Workshop

You are about to BUY YOUR FIRST HOME and MAKE THE LARGEST INVESTMENT OF YOUR LIFE!

Before you start, learn the right way to buy the home of your Dreams!

This FREE Workshop will be conducted via ZOOM in English and Spanish and will be held from 10:00 a.m. until 2:00 p.m. Saturday September 18th and Saturday September 25, 2021.

All Participants receive an 88-Page HomeBuying guide, and upon completion of the Workshop, they will receive a Certificate which satisfies the education requirements for a variety of Mortgages and Downpayment Assistance Programs in Pinellas, Pasco & Hillsborough counties. Attendance for the entire HomeBuyer Workshop (Parts I and II) is mandatory to receive your Certificate.

PLEASE NOTE: The Certificate that you receive at the end of the Workshop is NOT an approval for Downpayment Assistance or Mortgage Loans. You must still complete an Application and meet the qualifying criteria of the Lender or Assistance Program.

The Workshop will answer questions such as:

- Do I qualify for any Assistance Programs?
- How do I qualify for a Mortgage? What documents will a Lender require?
- Where do I start?
- Why is a good credit report so important?
- How do I clean up my credit?
